Printronix Auto ID T6000 vs. Zebra ZT-410

Printronix Auto ID has set a new industry benchmark for mid-range production in terms of speed, versatility, and reliability. The price performance of the T6000 in terms of productivity, duty cycle, and labels printed per day make it an industry leader in the mid-range market

PRINTER SERIES	PRINTRONIX	ZEBRA
	T6000 Series	ZT410/420
Class/Category Printer	MID-INDUSTRIAL 16/5	Mid/Light Industrial
Resolution (DPI)	203 DPI	203
Optional Resolution (DPI)	300	300 / 600
Max. Print Width	4.1" (104mm)/6.6" (167mm)	4.1" (104mm) ZT410 / 6.6" (167mm) ZT420
Max Media Width	4.5" (114mm)/6.8" (172mm)	5.15" (130mm)/6.75" (171mm)
Min. Media Width	1" (25.4mm)/2" (50.8mm)	1" (25.4mm)/2" (50.8mm)
Ribbon Length	450M	450m
Control Panel Display	COLOR GRAPHICAL DISPLAY - 3.4"	Multi Line Monochrome LCD
Processor Core	ARM CORTEX-A9	32 Bit Architecture
Std. DRAM	512 MB	256MB
FLASH	4-32GB SD Card option, 128 MB std	512MB
QCMC (Quick Memory Change Card)	YES	NA
Max. Print Speed (4"/6" @ 203 dpi)	14/12 IPS	14 IPS
Standard Connectivity	SERIAL / USB / ETHERNET	PARALLEL / SERIAL/ USB / ETHERNET / BT
Optional Connectivity	PARALLEL / WiFi / GPIO	WiFi
WiFi Protocol Specification	802.11 a/b/g/n	802.11 b/g
Standard Emulations	PGL/ZGL/TGL/IGL/STGL/DGL/IEGL/MGL/XML	ZGL/EPL/XML
Remote Management Software	PNE+ (TBD)	ZebraNet
